---

The Federal Department of foreign affairs has the honour to inform the States that, due to a typographical error in the English text of the Convention for the establishment of a European Organisation for the Exploitation of Meteorological Satellites ("Eumetsat"), concluded at Geneva on May 24, 1983, a rectification shall be effected in Article 7, paragraph 1 in initio, as follows:

replace "1. Except as provided for in the second paragraph of this clause..." by "1. Except as provided for in the second sentence of this paragraph...".

The original of the convention was corrected consequently. The States are kindly requested to rectify the certified copies which were transmitted to them by notification of the Depositary dated November 4, 1983.
